

William Colenso College Parents' Association

A friendly group of parents and other school supporters meets most months of the school year to hear about and discuss current school events and issues and to organise our regular fundraiser: the annual booksale.

In 2016 it will be our 26th year of running this event and the money raised over the years has contributed to projects in all parts of school life: sports, cultural and environmental as well as academic; middle school as well as senior school.

As well, we offer support to things like the middle school barbecue and the open evening and provide regular prizes for the school' arts awards (sports and academic awards having funding from elsewhere).

We meet on the second Tuesday of each month, if it's in the school term, at 7 pm in the staff room - any changes are notified in the school newsletter.

In March and April the group welcomes help to deliver flyers requesting books for the booksale and from March to June lots of hands are needed to sort books as they come in. We do this between 1pm and 3pm on Saturdays - a couple of hours spent in pleasant company for the benefit of the school! The Booksale dates for 2016 are: Saturday 11th June and Sunday 12th June.

If you'd like to know more about any of these activities, please phone Vicki Clarke: 831 0180 Ext 868.
